Location: Ashanti Region, Ghana

Objective

A dedicated and methodical educator with expertise in computing and digital literacy. I leverage technology to drive problem-solving and effective communication. Now, I'm excited to apply my skills in computing, data analysis, and engagement to a new context. I'm seeking a role at Nightingale Educational Complex, KATH-KUMASI, where I can contribute to educational excellence and inspire students

Education

- Akenten Appiah Menkah University of skills and Technology (AAMUSTED) – [BSc. Information Technology] (2021-2025)

Specialized coursework in teaching methodologies, computing fundamentals, and curriculum development.

- Adventist Senior High School (ADASS) – [General Arts] (2017-2020)
- Calvary Methodist Junior High School (CAMESCO) (2024-2017)

Teaching Experience

Intern Teacher – Oshera Educational Complex

(January 2025 – Present)

- Teach JHS 1 students Computing, covering fundamental concepts such as computer parts, basic operations, and digital literacy.
- Develop structured lesson plans focused on interactive and practical learning.
- Assess students through tests, assignments, and hands-on projects.

Skills

- Computing Fundamentals & Digital Literacy
- Data Analysis & Visualization
- Educational Technology Tools
- Communication & Client Engagement
- Graphic Design
- Adaptability & Team Collaboration

Projects & Contributions

- Developed interactive worksheets and multimedia resources to support computing lessons.
- Designed practical assessments to measure students' comprehension of computing concepts.
- Assisted in school-wide technology integration by exploring ways to incorporate digital tools in the learning process.

Extracurricular Activities

- Mentor for students struggling with computing concepts.
- Research and exploration of new teaching methodologies for digital literacy.
- Graphic designer and Aspiring Data Analyst Enthusiast.
